High quality: Weight Barbell have smooth nylon contact surfaces, and a rubberized grip pad interior inside to securely lock on your barbell. No matter how heavy you lift or how long you use it, the collars never scratch your bars and plates.

Easy To Install: Fast locking and quick release action benefit from Snap-Latch design. Our 2 inch Weight Barbell are very easy to use with One-hand installation and removal, it's very convenient and safe to change the different barbell or dumbbell weights or plates.

Superior Durability: The durable cast body and high-pressure grip pads make our barbell collars clamps virtually indestructible! The Nylon, Engineering plastic. It will be more durable and harder as time goes on. More using casting and high-pressure processing. You could use them years after years.

Multi Exercises: Weight Barbell Fits all Olympic barbell sleeves (2"). Our barbell collars are widely used for most cast grip plate, cast plate, and rubber grip. Perfect for all standard home gyms and professional gym owners. Tested by thousands of times to make sure the maximum grip strength and Professional level.
