

dumbbell racks

dumbbell racks SPACE-SAVING RACK Our Tiered Kettlebell Rack provides easy and accessible storage for your gym, whether kettlebells, med/wall balls, dumbbells, resistance bands or other items. Fitted with three broad shelves, all spaced with 40cm in height, you have plenty of room to arrange your equipment as you like, while keeping the rest of your gym

organised and tidy. A LOT OF STORAGE SPACE ON THREE SHELVES The three rack shelves have a 4cm high lip at the back as well as at the sides, to ensure that your equipment does not fall down at the back. The front part is open for easy access to load and unload equipment. You will find sufficient space to store your gear, with a depth of 24cm and a width of 98cm for each individual shelf.
